Chorus

I will be loving you crazy till you can't handle it
All my stack baby girl there is no ending
I will do anything for the girl that I adore
Ooo

There is so much I wanna do to please you for a while
I leave for that extra mile to make you smile
Gotta need to work... that's the reason I am your guy
Baby I will climb to the highest mountain and I will sail
to the deepest

Seas

Girl as a- as that sounds I like it when you are around
You are damn right you know I am playing for keeps
You can call me mister feel good I am the only man
around who does it feel

You deserve nothing else than the best baby girl

Chorus

And I am... mommy must be a...

One of the cheapest didn't appreciate your sweetness
But girl let me tell you a secret
This boy here don't have any regrets
I even advertise my love for you in the leaflets
Is not pretend for me it won't get more deepest

I will be loving you crazy till you can't handle it
All my stack baby girl there is no ending

Chorus

All my stack baby girl there is no ending
