Shaggy, Cartel remix

Nucci Rayo

Now picture this I'm bucknaked on the bathroom floor

Hittin' Aaliyah raw, Henney-ed up, Mya seen it all

Same reason Kim and Foxy ain't speakin' no more

And why Britney and Christina didn't speak at the awards

Keys in the door, I heard a noise

I didn't get up

Next thing you know Destiny's Child split up

But yo I'm Cris-ed up, got Monica in Miami

Soon as Kobe get married

I'll be back with Brandy

[Shaggy]

How you fe hav yuh woman nex' a yuh villa?

Trepass and a witness up inna 'you pilla

Yuh betta watch your back before she turn into a killa

Interview the situation or she call the gleaner

To be a true playa you fe know how fe play

If she say a nite, convince her seh a day

Never admit to a word wat she say

And if she claim a yuh, tell her, baby no way

[1] - [Nucci (Shaggy)]

Yo but she caught me on the counter

(It wasn't me)

Saw me banging on the sofa

(It wasn't me)

I even had her in the shower

(It wasn't me)

I even had her in the Range Rover

(It wasn't me)

She saw the marks on my should

(It wasn't me)

And here's the words that I told her

(It wasn't me)

She heard the screams gettin' louder

(It wasn't me)

She stayed until it was over

[2] - [Richard "Rikrok" Ducent]

Honey came in and she caught me redhanded
Creepin' with the girl next door
Picture this, we were both buck naked
Banging on the bathroom floor

[Shaggy]

Mek she know seh, dat she neva hav' no right fe vex
A never yuh seh see, a mek the gigalo flex
A somebody else whey favor yuh in de complex
See is believing so yuh betta change yuh specs
Yuh know she a go bring a whole heap a tings up from
de past
All the likkle evident you betta know fe mask
Quick pon yo' answer, know how fe talk
But if she back a run, yuh know yuh betta run fast

[Repeat 1]

[Wiz Dinero]

Uh-huh that's my story and I'm stickin' to it
What you seen and heard, I ain't admitting to it
It wasn't me, you wanna call me liar, flattin' my tires
Seein' how you play goin' through my two way
You wanna tear my Polos
I can't stand it when you rig up them four doors
From Miami, me and Shaggy in the Caddi
Plus mami with the fatti
Told me, meet her backstage
Talkin' bout she need it badly
I never met her, never seen her
What you talkin' bout?
Bathroom tryna catch us when I'm walkin' out
Dressing room on the floor, on the table too
I'm telling you it wasn't me, it was Don Pooh

[Repeat 2]

I had tried to keep her from what
She was about to see
Why should she believe me
When I told her it wasn't me

[Repeat 2]

I had tried to keep her from what She was about to see
Why should she believe me When I told her it wasn't me
