Yo man

Yo

Open up man

What do you want man?

My girl just caught me

You let her catch you?

I don't know how I let this happen

With who?

The girl next door, you know?

Man

I don't know what to do

Say it wasn't you

Alright

Honey came in and she caught me red-handed

Creeping with the girl next door

Picture this we were both butt-naked

Banging on the bathroom floor

How could I forget

That I had given her an extra key?

All this time she was standing there

She never took her eyes off me

How you can grant the woman access to your villa?

Trespasser and a witness while you cling on your pillow

You better watch your back before she turn into a killer

Best for you and the situation not to call the beaner

To be a true player you have to know how to play

If she say you're not, convince her say you're gay

Never admit to a word when she say

Makes a claim and you tell her baby no way

But she caught me on the counter

(It wasn't me)

Saw me banging on the sofa

(It wasn't me)

I even had her in the shower

(It wasn't me)

She even caught me on camera

(It wasn't me)

She saw the marks on my shoulder

(It wasn't me)

Heard the words that I told her

(It wasn't me)

Heard the screams getting louder

(It wasn't me)

She stayed until it was over

Honey came in and she caught me red-handed

Creeping with the girl next door

Picture this we were both butt-naked

Banging on the bathroom floor

I had tried to keep her

From what she was about to see

Why should she believe me

When I told her it wasn't me?

Make sure she knows it's not you and lead her on da  
right prefix

Whenever you should see her make da giggolo flex

As funny as it be by you, it not that complex

Seein' is believin' so you better change your specs

You know she not gonna be worrying 'bout things from  
the past

Hardly recollecting and then she'll go to noontime  
mass

Rik-boy, your answer, go over there

But if she pack a gun you know you better run fast

But she caught me on the counter

(It wasn't me)

Saw me banging on the sofa

(It wasn't me)

I even had her in the shower

(It wasn't me)

She even caught me on camera

(It wasn't me)

She saw the marks on my shoulder

(It wasn't me)

Heard the words that I told her

(It wasn't me)

Heard the screams getting louder

(It wasn't me)

How could I forget  
That I had given her an extra key?  
All this time she was standing there  
She never took her eyes off me

Gonna tell her that I'm sorry  
For the pain that I've caused  
I've been listenin' to your reasonin'  
It makes no sense at all

We could tell her  
That I'm sorry for the pain that I've caused  
You may think that you're a player  
But you're completely lost, that's why I say
