Welcome to the mission  
My music has got to get what it rightfully deserve  
Shaggy

My music got me on a mission, I'm following my  
intuition  
Why don't you check the composition  
With this ya music when it hit you, say you feel no pain  
My music got me on a mission, I'm following my  
intuition  
Why don't you check the composition  
With this ya music when it hits you

My music is my mission, I'm here to take it around the  
world  
To get the global recognition that we fully deserve  
To every man, every woman, little boys, little girls  
Embrace the sweet reggae culture, there's a lot more  
to learn

You could a be from the east, could a be from the west  
Could a be from the north, so could a be from the south  
No matter where down in a the world  
Shaggy will be at your doorstep  
Pan you cassette down in a you deck  
No bother think about eject, better yet

How about you get it live and direct, say mic check  
(Mic check)  
No sabotage mi sound check, you better let a lyrical  
genius  
Come try intercept, Shaggy a say one more time, sing  
again

My music got me on a mission, I'm following my  
intuition

Vibes it a lick the reggae music them want  
Everywhere down in a the world, the people jump and  
prance  
Some of them no speak the language but the lyrics  
them chant  
Excess amount of music weh the DJ perform

Say what  
Straight up in a de place a where the people  
congregate  
Say what  
Pon the dance floor a where them love fi feel the bass  
Say what  
No matter the nationality, the color, the face, the race  
We all we want to see in a de place is nothing but a  
smiling face  
Yeah

Shaggy I'm here to grace your stage  
I'm here to suit your musical taste, yeah  
I got to tell you once again  
A lick it one more time, Shaggy sing again

My music got me on a mission, I'm following my  
intuition

All around the world you hear the music a lick  
Say what  
In a de Middle East you hear the music a lick  
Say what  
Southeast Asia where the music a lick  
Say what  
West Africa a wey the music a lick, 'cause

My music is my mission, I'm here to take it around the  
world  
To get the global recognition that we fully deserve
