"Rise Again"

Rise Again
Let the love flow, Let the love flow (repeat)
Ah jus love, you know. (Shaggy)
Let's take it from our heart and spread it wide (Sean Paul)
Gotta bring this one out for my brothers and sisters, my neighbours (Shaggy)
We gotta long road ahead,Yeah, pull together we can do this (Sean Paul)
It's a Caribbean Collaboration, (Sean Paul)
All my brothers and sisters, let the love flow let the love show (Sean Paul)
We gotta take a stance
It's all about strength,Let's rise. (Sean Paul)

[Shaggy:]
Life, pressure, struggle, strain, must stand together let us shoulder the pain.
Mi cyaan deh yah witness blood ah run down di drain
Me cyaan stand helpless and not offer aid.

[Sean Paul:]
Now I would never ever turn and walk away
when mi stop and take a good good look inna your face
no time fi waste if I ain't my brother's keeper
I'm his enemy so now I gotta search inna mi soul deeper
Etana: How can I stop my heart from breaking?
What can I do to ease the pain?

[Tessanne Chin:]
How can I stop the earth from shaking?
I'm searching for strength to keep me sane.
Kes Dieffenthaller : What can we do to make it better?
Is it too late for us to try?

[Alison Hinds:]
Now I rethink the things I treasure
A fragment of hope is in these eyes
We shall rise again
We shall rise again

We shall rise again
We shall rise again

[David Rudder:]
A moment of change and now we're spinning
No warning was sent, no reason why

[Tessanne Chin:]
We gather our strength, and we are willing

[Belo:]
To do what it takes to save some lives... oh no no...

[Shontelle Layne]
When tragedy came it really gave us
A chance to show we really care

[Destra Garcia]
We're one and the same we're all neighbours
The burden is all for us to bare
We shall rise again
We shall rise again
We shall rise again
We shall rise again
We shall rise again
