Shaggy, woof, Scooby

Scooby-Dooby-Doo, where are you?
We've got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Once again, I'm 'onna fall
Once again, I find my back is up against the wall
Will somebody help me? Please hear my call
Or get a message to my dog and we'll be on the ball

'Cause everybody need a friend that they can depend
on
Someone who could help them out of a situation
Only a friend alone can understand my pain
If only I could get some message to my Great Dane,
Scooby

Scooby-Dooby-Doo, where are you?
We've got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Scooby-Dooby-Doo, doo, doo, doo, doo
Tell me, where are you
(Scooby-Dooby-Dooby-Doo)
Scooby-Dooby-Doo, doo, doo, doo, doo
Tell me where are you
(Scooby-Dooby-Dooby)

Once again I'm in a jam
Once again I never seem to ever have a plan
You know me I'm in trouble man, can you lend a hand
Right now, I am reachin' out to Scooby and the gang

Sure feels good to find a friend that you can lean on
And they wouldn't leave you if you say you saw a
demon
And even though sometimes I am a little, little outta
luck
And if I worry much I know my dog has got my back

And I know that even if it means he'd have to fly like a
bird
I know he'll be here for me now and match my word

Scooby-Dooby-Doo, where are you?
We've got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Come on, Scooby-Doo
I see you, pretending down to shivers
You're not fooling me 'cause I can see
The way you shake and shiver

Scooby-Dooby-Dooby-Doo, Scooby-Dooby-Dooby

Even if it means he'd have to fly like a bird
I know he'll be here for me now and match my word

Scooby-Dooby-Doo, doo, doo, doo, doo
Tell me, where are you
(Scooby-Dooby-Dooby-Doo)
Scooby-Dooby-Doo, doo, doo, doo, doo
Tell me, where are you
(Scooby)

Scooby-Dooby-Doo, where are you?
We've got some work to do now
Scooby-Dooby-Doo, where are you?
We need some help from you now

Come on, Scooby-Doo
I see you, pretending down to shivers
You're not fooling me 'cause I can see
The way you shake and shiver

Scooby-Dooby-Doo, doo, doo, doo, doo
Tell me, where are you
(Scooby-Dooby-Dooby-Doo)

Scooby
