Ugh  
Wah  
Ugh  
Ummmmm  
Yo  
SHAGGY  
Ugh  
Yo  
This one goes out to all my women yah know  
My strong women, ugh

### Verse 1

So amazing how this world was made  
I wonder if GOD is a woman  
The gift of life astounds me to this day  
I give it up for the woman  
She's the constant wind that fills my sail  
Ohhhhhh that woman  
With her smile and her style  
She'll protect you like a child  
That's a woman

### Chorus

She'll put a smile upon yah face  
And take you to that higher place  
So don't you under estimate  
The strength of a woman  
The strength of a woman

### Verse 2

Woke up this morning  
I got up with the scent of a woman  
Just picture if you could what life would be  
Ain't much good without a woman  
She can nag and be a constant pain  
Ohhhh that woman  
But those hips she's got me whipped  
And it's just to hard to resist

What a woman  
Ugh, hey

Chorus  
She'll put a smile upon yah face  
And take you to that higher place  
So don't you under estimate  
The strength of a woman  
The strength of a woman

Ugh, ugh, ugh

Verse 3

Tender lips that's so so sweet  
Gentle words she softly speaks  
Such an angel when we need  
GOD bless the ground beneath her feet  
She can take you on a high  
Be your comfort when you cry  
But if you look into her eyes  
You'll see the strength of a woman  
Strength of a woman  
Ugh, ugh, ugh

Chorus  
She'll put a smile upon yah face  
And take you to that higher place  
So don't you under estimate  
The strength of a woman  
The strength of a woman

Strength of a woman
