Strenth of a Woman

Oh Wow, uh, hm, ya, Shaggy!

Oh Yah!

This one goes out to all my women, my strong women.

Uh.

So amazing how this world was made,

I wonder if God is a woman.

The gift of life astounds me to this day,

I give it up for the woman.

She's the CONTSTANT WIND THAT FILLS MY SAIL,

That's a woman.

With a smile and a style,

She'll protect you like a child,

That's a woman.

Chorus:

She'll put a smile upon your face,

and take you to the higher place,

So don't you underestimate,

the strength of a woman.

The strength of a woman

Woke up this morning,

got up with the scent of a woman.

So picture if you would what life would be,

It ain't much good without a woman.

She can nag and be a constant pain,

oh, that woman.

But those hips,

she's got me whipped,

And it's just too hard to resist,

what a woman.

Chorus:

She'll put a smile upon your face,

and take you to the higher place,

So don't you underestimate,

the strength of a woman.

The strength of a woman.

Tenderness that's so so sweet,
Gentle words she softly speaks,
So in the world we meet,
God BLESS THE GROUND BENEATH HER FEET,
She can take you to your high,
be your comfort when you cry,
But if you look into her eyes you'll see,
The strength of a woman.
The strength of a woman

Chorus:
She'll put a smile upon your face,
and take you to the higher place,
So don't you underestimate,
the strength of a woman.
The strength of a woman.
