Blessings again to all mi DJ friend  
Have a mek dem know you understand  
Hard work and dedication

You think a so it go no when a DJ work hard  
Bus all him sweat fa sell a million record  
While some people a relex a dem yard  
Si down and a draw bad card

Well, then the bag a lip service it nah help the plan  
Have to try and elevate we young musicians  
This is something a got to tell to everyone  
So make we move as one

Wey we a do weh we try, beg you listen to the Shags  
Sit down and reminisce when me a DJ session  
When promoter all a rob me and the singer Rayvon  
Can't find taxi fare fi reach a Flatbush bottom

To beat the system me have to strong, full of  
determination  
Make dem know so that the DJ have to hit number one  
Through the grace of the almighty, the gift to write a  
song  
My dream turn to reality when the Grammy touch me  
hand bim

No mek me settle down and pause fe a second  
Sting International, Robert Livingston  
Gibraltor, Paul O Rossi and the Ruff Entry Gang  
Hot cold and freezing down a Long Island

You think a so it go no when a DJ work hard  
Bus all him sweat fa sell a million record  
While some people a relex a dem yard  
Si down and a draw bad card

Well, then the bag a lip service it nah help the plan  
Have to try and elevate we young musician  
This is something a got to tell to everyone  
So make we move as one, yeah

They say many are called but the chosen is few  
Know why is it you want to disrespect the crew  
And you don't like fe se another DJ go through  
I remember when dem a express them negative views

And a name me as the DJ most likely to lose  
When dem si down and give me bad album review  
Se me a foreign DJ can't make hit tune  
When me hit number one them find a bag of excuse

Se me managment a mafia and me color get me  
through  
Now me hit them like a puzzle mek them can't find a  
clue  
And through the big broad smile I and I man see  
through

You think a so it go no when a DJ work hard  
Bus all him sweat fa sell a million record  
While some people a relex a dem yard  
Si down and a draw bad card

Well, then the bag a lip service it nah help the plan  
Have to try and elevate we young musician  
This is something a got to tell to everyone  
So make we move as one, yeah

I remember when I man all a bleach a session  
I remember when I man have no dollars in mi hand  
I remember when I man all a fight fi Uncle Sam  
I remember when I man all a face sentance  
I remember all the DJ wey a chat mike fi long  
Them time the dance use to ram and gunshot done  
session

When the DJ dem fight over the same mike stand  
Red Foxx, Screey Dan Knight Rider, James Bond

Marshall One and Corpral Tan, Mikey Slim,  
And Megga Man, Sleepy Wonder, Floydie Wonder  
GT, Pac Man, Mikey Jarrett, K-C Jockey and Bubbo  
General, Sami Levy, Mr.Eazy, Trevour Sparks, Rayvon

Can't forget Lloydly Stiff, Shinehead and Sluggy Rand  
Dem de DJ a the DJ who a de New York veteran

You think a so it go no when a DJ work hard  
Bus all him sweat fa sell a million record  
While some people a relex a dem yard  
Si down and a draw bad card

Well, then the bag a lip service it nah help the plan  
Have to try and elevate we young musicians  
This is something a got to tell to everyone  
So make we move as one, yeah
