Wasn't Me

Chorus

Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt naked Banging on the
bathroom floor
How could I forget that I had Given her an extra key
All this time she was standing there she never Took her
eyes off me

Verse 1

How you fi give the woman access to your villa
Trespass and a witness all the hackling of the pilla
You better watch your back and mind she turn into a
killer
Let's review the situation that you're caught up inna
Now to be a true player you got to know how to play
If she even say a night convince her say a day
Never never admit to a word weh she say
And if she claim say a you tell her "baby no way"

Hook

She caught me on the counterâ€¦ wasn't me
She saw me bagin' on the sofaâ€¦ wasn't me
I even had her in the showerâ€¦ wasn't me
She even caught me on cameraâ€¦ wasn't me
She saw the marks on my shoulderâ€¦ wasn't me
Heard the words that I told herâ€¦ wasn't me
Heard the screams getting lauderâ€¦ wasn't me
She Stayed until it was overâ€¦ wasn't me
Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt naked Banging on the
bathroom floor
I had tried to keep her from what She was about to see
Why should she believe me if I told her it wasn't me

Verse 2

Mek she know say that she really nah no right fi vex
A never you she see a mek de gigolo flex

A smaddi else whe favor you inna de complex
Seeing is believing but it's time to change the specs
You know whe a go bring hole heap of thing from in de
past
All the little evidence you better know fi mask
Quick pon you answer and know how fi talk
And if she back the gun you better know fi run fast

Hook & Chorus Bridge

Want to tell her that I'm sorry for the Pain that I've
caused
I've been listening to your reasoning It makes no sense
at all
Need to tell her that I'm sorry for the Pain that I've
caused
You may think that you're a player But you're
completely lost
