(Gramps Morgan) Ooooooooooooo Ooohh Ooooooooooooo
(Shaggy) Yeah! Shaggy & Friends yuh know (Gramps
Morgan) Yeeeeeeeeeeeah yay yaaaaaaaaaaaaay
(Shaggy) We all gotta do a part
(Gramps Morgan) Ayyyyyyyyyeeee Ah, we can make it
right
(Shaggy) Represent, I dare you!

(Gramps Morgan) Well I dare you to make a difference,
I dare you take a stand
(Shaggy) Let them know Gramps!
(Gramps Morgan) Let me dare you to think of someone
else, who's in need of a helping hand
(Chris Martin) But if I dare you to show our children
what it really means to love
(Sean Paul) yeah yeah
(Chris Martin) Well I dare you to just imagine, there's
nothing that can rise above
(Etana) I dare you to be a person, with the will to make
it right
And I dare you to have the conscience to cause, and
join the fight
(Davielle) Well I dare you take a moment, to imagine
how it feels
Take a look at someone else's pain, and offer some
relief

(Chrous)
Take a stand, make it right
Lend a Hand
Save a life (save a life)
Understand, It's alright
Lend A Hand
Save a Life

(Marcia Griffiths) Should I dare you to be a person, with
the will to make things right
(Shaggy) Yes sister Marcia
(Marcia Griffiths) and I dare you to have the
conscience, see the cause and join the fight.
(Luciano) Could I dare you to take a moment, to
imagine how it feels

Take look at someone else's pain and try to offer some relief

(Tessanne Chin) Well I dare you to make a difference and I dare you to take a stand. Let me dare you think of someone else who's in need of a helping hand.

(Freddy McGregor) What if I dare you to show our children, what it really means to love.

Could I dare you to just imagine, there is nothing that we can't rise above

(Chrous)

Take a stand, make it right (we can make it right)

Lend a Hand

Save a life (saaaave a life)

Understand, it's alright

Lend A Hand (Lend ur hand)

Save a Life

(Shaggy) Gotta express how I feel, you know the deal, the situation is real

(Elephant Man) Full time we give a helping hand, show some love listen you better over stand.

I dare you to try save a life and make a change, for once and take a stand.

We still putting up resistance and fight with the help up Sean, Shaggy and Elephant man

(Sean Paul) Yow yow inna di circle of life, if we nah unite

In the light, then we going no where, time to reach new heights every man gotta rise we haffi chant it in da air, help we broda's and sista's through the hard time in life and the burden that we bear reach out for the helping hand, take a stand, just to show you care.

(D Major) Let us take the lead, yeah,

(Tessane) love is what we need

(D Major) This is how we feel yeah yeah yeah yeah

(Tessane) We can all achieve

(Chrous)

Take a stand (take a stand), make it right (make it right)

Lend a Hand (lend a hand)

Save a life (save a life)

Understand (understand), It's alright (It's alright)

Lend A Hand (lend a hand)

Save a Life (save a life)

Save a life...
