If you were alone, no-one would know that you were
crying.

If you were a dream, nothing would seem high or low

Lie under the stars, cradle your arms like you were
dying

Oh, what would you do if it were true?

No-one was lying

Time waits by your side, dance in your shadow

Time waits by your side, dance in your shadow

Love treasure the time, that you are mine and I am
found

Oh what would you do if it was you?

If you were flying

Time waits by your side, dance in your shadow

Time waits by your side, dance in your shadow
