Oh my love, I wish that we could start all over

I'm so gone, I really want to love you again

Cause I know if it's real, no-one else could understand

Take me back, make me real, make me feel, oh no no
(I'm so gone)

Oh my love, I wish that we could start all over

I'm so gone I feel like I'm half way there...

Cause I know if it's real, no-one else could understand

Take me back, make me real, make me feel, oh no no
(I'm so gone)

Oh my love, I wish that we could start all over

I'm so gone I really want to love again

I really want to start all over, really want to love again

I really want to start all over, really want to love again
