You...You
You are still a whisper on my lips
I feel it at my fingertips
Pulling at my skin
You
You leave when I'm at my worst
A feeling as if I've been cursed
Bitter cold within

Days go by and still I think of you
Days when I couldn't live my life without you
Without You
Without You

You are still a whisper on my lips
I feel it at my fingertips
Pulling at my skin
You leave me when I'm at my worst
A feeling as if I've been cursed
Bitter cold within

Chorus(2x)
