Announcers: Columbias greatest export, the sexy,
seductive,
and she has a nice (sh sh sh sh sh sh) Shakira!

Oooo!

Cruisin through a bar on the shore
Her picture graced the grime on the door
She was a long lost love at first bite
Baby maybe you're wrong but you know it's all right
That's right

Dude looks like a lady
Dude looks like a lady
Dude looks like a lady
Dude looks like a lady

Dont ever judge a book by it's cover
Or who you gonna love by your lover
Love good and wise she had love in disguise
She had the body of a venus
Imagine his surprise

Dude looks like a lady
Dude looks like a lady
Dude looks like a lady
Dude looks like a lady

Baby let me follow you down
Let me take a peek dear
Baby let me follow you down
Do me, do me, do me, all night
Baby let me follow you down
Turn the other cheek dear
Baby let me follow you down
Do me, do me, do me, do me

(shakira - harmonica)

What a funky lady
She like it, like it, like it, like that

Ooo he was a lady

Wow!

(Dude looks like a lady)

Dude looks like a lady

Dude looks like a lady

Dude looks like a lady

(with steven tyler)

D-d-d-dude looks like a lady

D-d-d-dude looks like a lady

D-d-d-dude looks like a lady

D-d-d-dude looks like a lady

D-d-d-dude looks like a lady... yeah...

(guitar break from ~sweet emotions~ and finish)
