Oh, you know I have seen  
A sky without sun, a man with no nation  
Saints, captive in chains  
A song with no name for lack of imagination

(Y'allah hey! Ya hey! Y'allah hey!)  
And I have seen darker than ebony  
(Y'allah hey! Ya hey! Y'allah hey!)  
And now it seems that I without your eyes could never  
be

My one desire, all I aspire  
Is in your eyes forever to live  
Traveled all over the seven oceans  
There is nothing that I wouldn't give

Came from Bahrain until Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours

Rabboussama'i fikarraja'i  
Fi ainaiha ara hayati  
Ati ilaika min haza alkauni  
Arjouka labbi labbi nidai

Came from Bahrain until Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours

Oh, you know I have seen  
A woman of means in rags and begging for pleasure  
Crossed a river of salt  
Just after I rode a ship that sunk in the desert

(Y'allah hey! Ya hey! Y'allah hey!)  
And I have seen darker than ebony  
(Y'allah hey! Ya hey! Y'allah hey!)  
And now it seems that I without your eyes could never  
be

My one desire, all I aspire  
Is in your eyes forever to live  
Traveled all over the seven oceans  
There is nothing that I wouldn't give

Came from Bahrain until Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours

Rabboussama'i fikarraja'i  
Fi ainaiha ara hayati  
Ati ilaika min haza alkauni  
Arjouka labbi labbi nidai

Came from Bahrain until Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours

Rabboussama'i fikarraja'i  
Fi ainaiha ara hayati  
Ati ilaika min haza alkauni  
Arjouka labbi labbi nidai

Ga'a min Bahrain ila Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours

My one desire, all I aspire  
Is in your eyes forever to live  
Traveled all over the seven oceans  
There is nothing that I wouldn't give

Came from Bahrain until Beirut  
Looking for someone comparing to you  
Tearing down windows and doors  
And I could not find eyes like yours
