Only you know really who I am
And that is why you are my only man
Only you make my heart beat fast
And that is why we're gonna make it last

I don't believe that the sea
Will one day taste so sweet
I don't believe in what I feel
I don't believe in fate

I only believe in your sunny smile
In your eyes shining like the stars
And your kisses made of sun
And I don't care what they say

Coz only you know really who I am...

If I don't stop talking
Don't you stop believing
That no one else will love you
The very way that I do

I don't believe in Venus and in Mars
I don't believe in Karl Marx
I don't believe Jean-Paul Sartre
I don't believe in Brian Weiss.

I only believe in your sunny smile
In your eyes shining like the stars
And your kisses made of sun
And no matter what they say.

Coz only you know really who I am...

If I don't stop talking!

I want to be the sky above you
In your mouth a song
Under your wings I'll always be the wind

A piece of salt

A ray of sunlight
Wherever you tell me you want me to go, I will go
My felicity, my happy country
You are my spring, you're my stairway to heaven, yeah
That is why I am still here walking with you,
The only thing I can't say to you is,
Ooh uh, whoa whoa, oh oh oh oh ohâ€¦

Only you know really who I amâ€¦

A piece of salt...
