I'm gonna obey all your wishes as if  
they were orders  
I'm gonna dye your body in kisses  
while we're growing older  
I'll be there to beat your fears in all the  
three hundred sixty five days a year

so this is what I say

Knock on my door  
you know I'll be in town  
come ask for more don't let me down  
what is off what is on  
what is left what is gone  
I'm gonna give it all for you baby  
you can consider it done

I'm gonna live all my mondays like the  
sunniest sundays  
I'm gonna go through life every moment  
thinking of you always  
and again we'll beat our fears there's  
only three hundred sixty five days a

year

so this is what I say

Knock on my door  
you know I'll be in town  
come ask for more don't let me down  
what is off what is on  
what is left what is gone  
I'm gonna give it all for you baby  
you can consider it done

Knock on my door  
Knock on my door

don't let me down  
you know I'll be in town
