Is there a prince in this fable  
For a small town girl like me?  
The good ones are gone or not able  
And Matt Damon's not meant for me  
Damon's not meant for me, damnit!

I got to say  
California is a place that I respect  
Come on LA  
Take advantage, give me a night that I won't forget

I went to look  
From the Sky Bar to the Standard, nothing took  
These boys don't care  
Got a handful with their projects and with their looks

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming 'round, coming 'round?

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming 'round, coming 'round?

Fresh  
I'm so fresh, I'm so clean  
Got the lips and got the skin  
Got the skin, got that thing  
I'm so fresh and I'm so

Is there a prince in this fable  
For a small town girl like me?  
The good ones are gone or not able  
And Matt Damon's not meant for me  
Damnit again

I never dreamed that I'd come here  
To become the next Jolie  
But I sure know there's someone, around somewhere  
Who's meant to be

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming 'round, coming 'round?

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming 'round, coming 'round?

Fresh  
I'm so fresh, I'm so clean  
Got the lips and got the skin  
Got the skin got that thing  
I'm so fresh and I'm so

Fresh  
I'm so fresh, I'm so clean  
Got the lips and got the skin  
Got the skin got that thing  
I'm so fresh and I'm so

So they say  
It's a suicide, waiting, others say  
It's a suicide, waiting, yo no se  
It's a suicide waiting, another day  
It's a suicide waiting

So decide, it's a suicide waiting, all this time  
It's a suicide waiting, donde estas?  
It's a suicide waiting, so decide  
It's a suicide waiting
