It's not her fault that she's so irresistible
But all the damage she's caused is unfixable
Every twenty seconds you repeat her name
But when it comes to me you don't care

Next to her cheap silicone I look minimal
That's why in front of your eyes I'm invisible
But you've got to know small things also count
Better put your feet on the ground
And see what it's about, so

Objection

I don't want to be the exception
To get a bit of your attention
I love you for free and
I'm not your mother
But you don't even bother

Objection

I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again

No way

I've got to get away

I wish there was a chance for you and me
I wish you could find our place to be
Away from here

This is pathetic

And sardonic

And sadistic

And psychotic

Tango is not for three
Was never meant to be
But you can try it

Rehearse it
Or train like a horse
But don't you count on me
Don't you count on me boy

Objection
I don't want to be the exception
To get a bit of your attention
I love you for free and
I'm not your mother
But you don't even bother

Objection
I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way
I've got to get away

get away
get away (eh, eh, eh)
get away

I'm falling apart in your hands again
No way

I'm falling apart in your hands again
No way
I've got to get away
