So I find a reason to shave my legs
Each single morning
So I count on someone
Friday nights to take me dancing
And then to church on Sundays
To plant more dreams
And someday think of kids
Or maybe just to save a little money

You're the one I need
The way back home is always long
But if you're close to me
I'm holding on
You're the one I need
My real life has just begun
Cause there's nothing like
Your smile made of sun
In a world full of strangers
You're the one I know

So I learn to cook
And finally lose my kitchen phobia
So I've got the arms to cuddle in
When there's a ghost or a muse
That brings insomnia

To buy more thongs
And write more happy songs
It always takes a little help from someone

You're the one I need
The way back home is always long
But if you're close to me
I'm holding on
You're the one I need
My real life has just begun
And there's nothing like
Your smile made of sun

You're the one I need
You're the one I need
With you my real life has just begun

You're the one I need
You're the one I need
Nothing like your smile made of sun
Nothing like your love
Nothing like your love
Nothing like your love
