Y'are song  
Written by the hands of God  
Don't get me wrong cause  
This might sound to you a bit odd  
But you own the place  
where all my thoughts go hiding  
And right under your clothes  
Is where I find them.

Underneath you clothes  
There's an endless story  
There's the man I chose  
There's my territory  
And all the things I deserve  
For being such a godd girl honey.

Because of tou  
I forgot the smart ways to lie  
Because of you

I'm running out of reasons to cry  
When the friends are gone  
whwn the party's over  
We will still belong to each other.

Underneath you clothes  
There's an endless story  
There's the man I chose  
There's my territory  
And all the things I deserve  
For being such a godd girl honey.

I love you more than all that's on the planet  
Movin' talkin' walkin' breathing  
You know it's true  
Oh baby it's so funny  
You almost don't believe it  
As every voice is hanging from the ceiling  
Like a lady to her good manners  
I'm tied up to this feeling.

Underneath you clothes

There's an endless story  
There's the man I chose  
There's my territory  
And all the things I deserve  
For being such a godd girl honey.
