GIRL OPENING.

Every time I see your face I just gotta talk to you, theres something every time I know baby its so true.

GIRL.

I can't explain it. I just wanna talk to you and tell you how I feel every time i see your face baby this love is real I cannot let it go you know I'm all for you, so what we gonna do? what we gonna do?

Every time I see your face I know its true maybe theres something i gotta say I'm just in love with you & I know your the one for me so whats it gonna whats it gonna be?

H' TWO 'O and I need to know how you feel about me so give me a call right now I'll be alone & I'll come by your house & you can get to know me

BOY

I just wanna talk to you and tell you how I feel, every time I see your face I know this love is real I need you girl you're the only one for me so whats it gonna be? so whats it gonna be?

Every time I sit alone I think of you, your eyes your thighs your lips got me thinking things I wanna do and I know that your that girl for me, so whats it gonna whats it gonna be?

whats it gonna be yeah?

whats it gonna be?

whats it gonna be yeah?

Oh baby its you its true

Whats it gonna be yeah?

whats it gonna be?

whats it gonna be yeah?

GIRL

When I met you boy everything was cool it was like a dream I was so in love, you was so in love it was meant to be, running by side by side until the morning light boy you & me so take my hand this is my plan its

destiny.

Boy I love to get to know you better something about
you, I can't explain its just the way you are I like the
things you do so what we, what we gonna do?

Every time I see you I notice your smile,
I see your face I know thats its real,
I cannot let it go you know I'm all for you
so what we what we gonna do?

I just wanna talk to you & tell you how I feel every time I
see your face baby this love is real. I cannot let it go
you know I'm all for you, so what we gonna do? what we
gonna do?

You know my baby you know its true
move your baby
what we gonna do?
ohhh
You know you'd be moving your body
H' TWO 'O
Move your body
