Lucky you were born that far away  
So we could both make fun of distance  
Lucky that I love a foreign man for  
The lucky fact of your existence

Baby I would climb the Andes solely  
To count the freckles on your body  
Never could imagine there were only  
Ten million ways to love somebody

Le do, lo le, lo le  
Le do, lo le, lo le  
Can't you see?  
I'm at your feet!

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear

There over, here under  
You'll never have to wonder  
We can always play by ear  
But that's the deal my dear

Lucky that my lips not only mumble  
They spill kisses like a fountain  
Lucky that my breasts are small and humble  
So you don't confuse them with mountains

Lucky I have strong legs like my mother  
To run for cover when I need it  
And these two eyes are for no other  
The day you leave will cry a river  
Le do, lo le, lo le  
Le do, lo le, lo le  
At your feet  
I'm at your feet!

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near

And that's the deal my dear

There over, here under  
You'll never have to wonder  
We can always play by ear  
But that's the deal my dear

Le do, lo le, lo le  
Le do, lo le, lo le  
Think out loud  
Say it again

Le do, lo le, lo le, lo le  
Tell me one more time  
That you'll live  
Lost in my eyes

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear

There over, here under  
You've got me head over heels  
There's nothing left to fear  
If you really feel the way I feel

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear

There over, here under  
You've got me head over heels  
There's nothing left to fear  
If you really feel the way I feel
