Verse 1:

Where are you Love?
Yesterday I looked for you;
on the floor, and in the sky, Dearest,
and I couldn't find you.
I can't think that you're hiding from me
Because the voice inside is sincere;
It says 'yes'
Where are you Love?
Come, return for me;
my life knots like an eight
if you're not here with me.
I want to think
that you won't falter
because there is no one else
that exists on this planet,
that I could ever love.

Chorus:

Where are you Love?
I looked for you yesterday.
Where are you Love?
And I didn't find you.

Verse2:

Where are you Love?
You left here
Looking for who-knows what
so far away from me,
and I think,
and continue to think,
that you won't falter,
because there is no one else
that exists on this planet,
that I could ever possibly love.

I looked for you in the chest, under the car, in black,
in white, in history books, in magazines, in the radio.
I looked for you in the streets, your mothers house,
in squares, in my coin bank, in 2,000 religions, i even
looked for you in my songs.
