Drowning in your sweat  
'Til I drench my clothes  
You've seen nothing yet  
Wait 'til you let go.

Why wait for later?  
Obey my intuition  
We're going to be just fine  
I've got a premonition.

Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby come home.

Chorus:  
One more  
Night with you  
I won't  
Think it through  
Time's money  
But you knew  
Nothing in the world  
You can think of  
That I won't do to you.

I'm gonna dance through the veil of your eyes  
While you follow my steps and decide  
And I see your fate in the palm of your hand.

No one looks, no one hears us this time  
It's only me and your conscience tonight  
If there are no witnesses, there is no crime.

Why wait for later?  
I'm not a waiter.

Why wait for later?  
Obey my intuition  
We're going to be just fine  
I've got a premonition.

Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby come home.

Chorus:  
One more  
Night with you  
I won't  
Think it through  
Time's money  
But you knew  
Nothing in the world  
You can think of  
That I won't do to you.
