come on come on hurry up harry come on
come on come on hurry up harry come on
we're going down the pub we're going down the pub

now listen here harry if we're going down the pub
you'd better tell your mum and dad and finish up your
grub
i wish you'd listen to me
no, i don't want a cup of tea

come on come on hurry up harry come on
come on come on hurry up harry come on
we're going down the pub we're going down the pub

you're telling me to grow up but harry
don't you see if i tried to act my age i wouldn't be me
we never do anything so now's the time to begin

come on come on hurry up harry come on
come on come on hurry up harry come on
we're going down the pub we're going down the pub

you don't have to tell me that the thing's i do are wrong
but everything i do in life is with us right or wrong
now i think i understand how to have some fun

come on come on hurry up harry come on
come on come on hurry up harry come on
we're going down the pub we're going down the pub
