

## Sham 69 "I Don't Wanna"

Visit "[I Don't Wanna](#)" on MotoLyrics.com

I don't wanna work in no factory  
And I don't want no strike  
And I don't want no dole queue

No I don't wanna  
No I don't wanna  
No I don't wanna be

I don't wanna work to sixty five  
And I don't want no gold watch  
And I don't want no pension book

No I don't wanna  
No I don't wanna  
No I don't wanna be

I don't wanna live up in the sky  
And I don't wanna be buried high  
And I don't want no skyscraper

No I don't wanna  
No I don't wanna  
No I don't wanna be
