IF THE KIDS ARE UNITED

For once in my life I've got something to say

I wanna say it now for now is today

A love has been given so why not enjoy

So let's all grab and let's all enjoy

If the kids are united then we'll never be divided

If the kids are united then we'll never be divided

Just take a look around you

What do you see

Kids with feelings like you and me

Understand him, he'll understand you

For you are him, and he is you

If the kids are united then we'll never be divided

If the kids are united then we'll never be divided

If the kids are united then we'll never be divided

If the kids are united then we'll never be divided

I don't want to be rejected

I don't want to be denied

Then its not my misfortune

That I've opened up your eyes

Freedom is given

Speak how you feel

I have no freedom

How do you feel

They can lie to my face

But not to my heart

If we all stand together

It will just be the start

If the kids are united then we'll never be divided

If the kids are united then we'll never be divided
