What's that metronome I hear,  
Perhaps the end is drawing near,  
You never hear the shot that takes you down.

Out of time, so say goodbye,  
What is yours, now is mine,  
And I dream broken dreams,  
I make them come true,  
I make them for you.

Bad dreams come true, I make them for you (make  
them come true)  
Bad dreams come true, I make them for you (I make  
dreams come true)  
Bad dreams come true, I make them for you (make  
them come true)  
Bad dreams come true, I make them for you.

Out of time, so say goodbye,  
What is yours, now is mine,  
And I dream broken dreams,  
I make them come true,  
I make them for you.  
I make them for you.

Almost to the mountaintop,  
You slip and fall just like a stone,  
Rolling ever faster to this nightmare you have sown.  
You had it all right in your grasp,

But in a breath, your minute passed,  
Now at last the end has come, you are all alone.

Out of time, so say goodbye,  
What is yours, now is mine,  
And I dream broken dreams,  
I make them come true,  
I make them for you.  
I make them for you.

All your dreams are just illusion,  
Based on nothing and confusion,

Don't you look behind the curtain,  
No more time, the end is certain.

I dream broken dreams, I make them come true, I  
make them for you  
I dream broken dreams, I make them come true, I  
make them for you  
Bad dreams come true, I make them for you (I make  
dreams come true)  
Bad dreams come true, I make them for you ( I make  
them for you)  
Bad dreams come true, I make them for you (I make  
dreams come true)  
Bad dreams come true, I make them for you ( I make  
them for you)
