Maybe the sky's fallin' down around the babies,
Maybe the world is gonna spin out of control,
I don't care anymore.

What if I quit today workin' for the man,
Who said I've had enough, well maybe I can,
It's all gonna end anyway.

Tell me doctor, what's the cure for the weakened man's
blues?

Fly Dragonfly,
Fly Dragonfly,
Fly Dragonfly,

When the sky falls to the sea,
I won't mind
The cause is me,
When the wind blows through the trees,
I want to ride the Dragonfly

Fly Dragonfly,
Fly Dragonfly

When I come,
Give me a beat
Take my advice
Just let me be.

When the moon,
Turns black as night,
Within the fires of Dragonfly

Fly Dragonfly

Don't take so long,
I'll be there before you know
See you in my minds' eye

Fly Dragonfly
