in this town there's procedure
nod hello wave goodbye nice to see ya
on that stage grew a lady
i recall night inspired
so retired to the safety of you
she, luisa on the stage
she, luisa dancing away
wrist of ribbon, comb her hair
so forgiven she flies through the air, through the air
there was time i possessed her
held her down stripped the flight from a feather
there she goes free to follow
every hope to desire
of a liar in love with her ways
she, luisa on the stage
she, luisa dancing away
wrist of ribbon, comb her hair
so forgiven she flies through the air
and i saw my opinion
i saw it reflected in her
and i lost my defenses
she burned every one with a word
she, luisa on the stage
she, luisa dancing away
wrist of ribbon, comb her hair
so forgiven she flies through the air, through the air
in this town there's procedure
nod hello wave goodbye nice to see ya
