Kissing you was not what I had planned  
And now I'm not so sure just where I stand  
I wasn't looking for true love  
But now you're looking at me  
You're the only one I can think of  
You're the only one I see

All I need  
Is just a little more time  
To be sure  
What I feel  
Is it all in my mind?  
'Cause it seems so hard to believe  
That you're all I need

I guess it's true we've all been hurt before  
But it doesn't seem to matter anymore  
It's maybe a chance we're taking  
But it always comes to this

If this isn't love we're making  
Then I don't know what it is

All I need  
Is just a little more time  
To be sure  
What I feel  
Is it all in my mind?  
'Cause it seems so hard to believe  
That you're all I need

No stars are out to night  
But we're shining our own light  
And it's never felt so right  
'Cause girl the way I'm feeling  
It's easy to believe?  
That you're all I need  
You're all I need
