In My Dreams, In My Dreams  
your Face Is All That I Could See  
but Is It Me? Or Is It Me?  
the One You're Kissing, Is That Me?

i've Been So Blinded  
but I Think I Can Make It  
but I'm So Worried  
for I Dont Know What You'll Be Saying

[Chorus]  
i've Been Looking For You, Miss Serious  
i've Been Waiting For You But You're Mysterious  
i've Been Looking For You Miss Serious  
the Things I See, Are They Ridiculous

when Im Lonely, I Think Of You  
but All I Can Do Is Shake It  
i Bite My Lip And Have A Grip  
but All I Can Do Is Fake It

let"s Get This Started  
coz Its You Who's All I Ever Needed  
i'd Be Delighted  
if The Genie Would Deem My Wish Granted

(Repeat Chorus)

[Bridge]  
dont Treat Me Like This  
dont Treat Me Like This  
am I A Freak? Am I A Freak?  
am I A Freak? Am I A Freak?

(Repeat Chorus 2x)
