### [Verse 1]

Once up a time....  
The strs were alined..  
And this little gurl found her own man who she thought  
was just fine  
You'd thought she'd be happy  
She was for a while  
Until 3 months later her happiness took a...  
Turn her life started to crash and burn!!!

### [Chorus]

Your a heart breaker...Love maker  
Your a heart breaker...Love maker  
Your a heart breaker...Do you see what you made her?  
Your a heart breaker

### [Verse 2]

So she thoght she'd do something  
To get out all her pain  
She was gonna play a little trick on him  
It was insane  
She put on her sexy clothes and her rose  
She knew just what she had to do  
She was gonna make him pay  
Someway somehow

### [Chorus]

Your a heart breaker...Love maker  
Your a heart breaker...Love maker  
Your a heart breaker...Do you see what you made her?  
Your a heart breaker

### [Verse 3]

She had to do what she had to do  
So she boght her own crew  
She gathered around his house  
They were silent as a mouse  
She peaked threw the curtain  
She couldnt believe what she saw  
She saw the man of her dreams  
Crying on the screen  
He was watching old photos of her and him

She started to feel guilty  
So she called all of the off  
She went in the house they made up

(Say)  
And i'm thinking

[Chorus]  
Your a heart breaker...Love maker  
Your a heart breaker...Love maker  
Your a heart breaker...Do you see what you made her?  
Your a heart breaker

(Repeat twice)

(Say)

I guess not  
I guess not
