As little children we would dream of Christmas morn
And all the gifts and toys we knew we'd find
But we never realized a baby born one blessed night
Gave us the greatest gift of our lives

We were the reason that He gave His life
We were the reason that He suffered and died
To a world that was lost, He gave all He could give
To show us the reason to live

As the years went by we learned more about gifts
And giving of ourselves and what that means
On a dark and cloudy day a man hung crying in the rain
Because of love, because of love

And we are the reason that He gave His life
We are the reason that He suffered and died
To a world that was lost, He gave all He could give
To show us the reason to live

I finally found the reason for living
It's in giving every part of my heart to Him
In all that I do every word that I say
I'll be giving my all just for Him, for Him

And we are the reason that He gave His life
We are the reason that He suffered and died
To a world that was lost, He gave all He could give
To show us the reason to live

He is my reason to live
