The Lord is the Spirit  
Where the Spirit of the Lord is, now  
There is liberty  
And the Spirit lives inside of me  
Where the Spirit of the Lord is, now  
There is liberty, there is liberty,  
There is liberty

For freedom You set me free  
And yes, I am free indeed  
You rewrote my name  
And shackled my shame  
You opened my eyes to see  
I am free

When the spirit of the world  
Comes to kill me and enslave me I will say  
There is liberty  
For the chains of sin that once entangled me  
Have been broken, now I'm singing 'cause I'm free  
There is liberty, there is liberty,  
There is liberty

For freedom You set me free  
And yes, I am free indeed  
You rewrote my name  
And shackled my shame  
You opened my eyes to see  
I am free

The storm rolled in  
It was dark in the land  
As the Son of Man  
Was crucified  
You don't take His life  
He laid it down  
He paid the price  
And shed His blood

It is done!  
The veil is torn

He has won  
And I am free  
And I am free  
And I am free  
I am free

For freedom You set me free  
And yes, I am free indeed  
You rewrote my name  
And shackled my shame  
You opened my eyes to see

For freedom You set me free  
And yes, I am free indeed  
You rewrote my name  
And shackled my shame  
You opened my eyes to see  
I am free
