Take It Easy

Return to believe ^- Feel the truth
And into your eyes ^- Just keep your smile
Take it easy

Return feeling strong ^- Go on your way
Can you feel tonight ^- The sun's arise
Take it easy

Chorus

Take it easy ^- Far away
Take it easy ^- Fly away
Take it easy ^- Far away
Take it easy ^- Fly away

Escape the broken days ^- Disharmony
Get the vibrations back ^- just don't be sad
Take it easy

When the times are hard and rocks are high
Let the oceans rise ^- Believe in life
Take it easy

Chorus

Whispers in the wind ^- So much the say
Of a glory time ^- That's been so fine
Take it easy

If you can understand ^- Make a brighter day
Feel the sound inside ^- and take the time
Sing take it easy

Chorus
