Tell me Why

Verse

I tried to find just a way to your heart
But there wasn't any chance
I felt there's a little flame inside
You weren't careful with this light

I can see dark clouds are overised
And they break our fragile dreams
I tried to find just a way to your heart
But there wasn't any chance

Chorus

Tell me why
Do you see me cry
Tell me why
I want to
I want to Flay

Verse

Do you remember that we crossed the sky
And while we flow we held our hands
Do you remember we walked through the rain
To escape the desert lands

It was just love that I'm asking for
But you couldn't give an answer
Tell me a story cause I want to dream
Try to find a solution

Chorus

Tell me why
Do you see me cry
Tell me why
I want to
I want to Flay

I tried to find just a way to your heart
But there wasn't any chance
I felt there's a little flame inside
You weren't careful with this light

I can see dark clouds are overised
And they break our fragile dreams
I tried to find just a way to your heart

Chorus

Tell me why
Do you see me cry
Tell me why
I wont to
I wont to Flay
