Feat. Ezekiel Sugarwater

Who am I, who, who am I,
Who am I, who, who am I,
Who am I, who, who am I,
Who am I.

I ,no longer acted,
..basted ,from the act ..mother's ass,
, with a passion ,average
..that my ass can't cash it and I'm asking what a label
..for the afra kid,
Who takes tracks ,made it ..on affection on the cash
you spent,
And you know I gotta f*ck you, enter your fear,
Worried I don't stare you, get kill next year,
Pass on me, that's cool, I'm gonna be a man next year,
And you'd better grab this date like the whole career
Got me feeling like a mix yeah, you're holding here,
Won't stop to beat just like the flow ..,
I'm tremendous first pic for the fresh,when they call it
tendous.

Chorus:

Who am I, who, who am I,
Who am I, who, who am I,
Who am I, who, who am I,
Who am I.
I'm a ,, I'm a man ..,
Mama told me don't play ..,
Don't quit without a fight,
Who am I, who am I.
Hey, hey, who am I, who am I.

Come and, hip hop like the rocks with me,
Plus got a little rock like a ,
Get you f*cker on like a silly man it's flowing a little
chilly ..small
Got my back against the wall,
Like too many children my daddy was gone,
He was too cavalier left it all like a .., papa was a ..

stone,
Mama raised the son alone, ,
..I'm tired to say that this is my year,
Another one has passed and I'm still here,
..a little class with my ambition different,
I wish the critic thoughts but I hustle like a ..,
I know you do listen like another fool's coming
so put on your nigger ice like cool running
..you did it
...it's official like ,so listen.

Thanks to greta
