You and I are so much better than this  
But the world gets in the way till we submit  
If I could take it all away with just one kiss, I would

Do you still believe in everlasting love  
Sure as there's a heaven up above  
You know there's someone watching over us

Maybe it's not as bad as it seems  
You know I still see you in my dreams

And maybe the odds aren't in our favor  
Maybe I'm not your average guy  
Honey you and I, we're good as gold  
Just want you to be my love for life

I still can see the girl behind those eyes  
Waiting on a perfect Rockwell life  
There's only so much you can keep locked up inside  
Oh, we've gotta do the best with what we've got  
You know baby, we've got a lot of everything, of  
everything

Maybe it's not as bad as it seems  
You know I still see you in my dreams

And maybe the odds aren't in our favor  
Maybe I'm not your average guy  
Honey you and I, we're good as gold  
Just want you to be my love

Cuz all around us now ashes are on the ground  
Empires are crashing down  
And no one is safe anymore  
But it's you that I burn for

And maybe the odds aren't in our favor  
Maybe I'm not your average guy  
Honey you and I, we're good as gold  
Just want you to be my love  
My love for life
