Here I am again at One to One -  
The kind of life I dreamed about  
Been keeping me on the run  
Outside the moon is shinin' down with an eye on me  
Because tonight nothin' seems right and there ain't no  
mystery

Homesick again, home,  
Homesick again, home,

Always so much time away from everything that's mine  
Always so much time spent thinkin' bout what I hope to  
find

I've asked myself a million times - how did I find this  
life?  
To die 23 hours a day for the one that I'm alive

Homesick again, home,  
Homesick again, home,

Try as I might, I'm still fallin'.  
Down on my knees, it's you I'm callin'.  
Over and over, I've been thinkin' that I need savin'  
You know I'm sinkin' down

Homesick again, home,  
Homesick again, home,  
Homesick again, home,
