In between the city lights and houses of the  
countryside, you'll find me  
In between the wrong and right, I try hard to stay out of  
the light  
I stay in the fringes  
I stay in the fringes

I was just born different, yeah, I feel things that I don't  
understand  
I was never good with names and I've been burned by  
countless flames  
Besides, it's better in the fringes  
So I stay in the fringes  
I like it in the fringes  
So I stay in the fringes

I'm not waitin' on a sign, I've been left by all divine  
But I don't mind stayin' a lone in a world that's all my  
own

In between the city lights and houses of the  
countryside you'll find me  
In between the wrong and right, I try hard to stay out of  
the light  
I stay in the fringes  
I stay in the fringes  
I like it in the fringes  
So I stay in the fringes
