He will allure her  
He will pursue her  
And call her out  
To the wilderness with flowers in His hand  
She is responding  
Beat up and hurting  
Deserving death  
But offerings of life are found instead  
She will sing  
She will sing  
Oh, to You  
She will sing as in the days of youth  
As You lead her away  
To valleys low  
To acres of hope  
Acres of hope  
Here in the valley  
Walk close beside me  
Don't look back  
For love is growing vineyards up ahead  
You have called me master  
And though you're in the dark here  
Call me friend  
And call me lover and marry me for good  
She will sing  
She will sing  
Oh, to You  
She will sing as in the days of youth  
As You lead her away  
To valleys low  
To acres of hope  
Acres of hope  
How the story ends is  
Love and tenderness in Him  
Not safe, but worth it  
So in the valley's up ahead  
Or the ones we live  
We'll sing together  
We'll sing together  
We will sing  
We will sing  
Oh, to you

We will sing as in the days of youth  
As You lead us away  
To valleys low  
To acres of hope  
Acres of hope  
Hosea 2:14-16
