Growin up I overheard
All the grown ups sayin
You better be prayin
And sayin
All the right little things
At the right little times
And I had it down
At least on the outside
I'd put my best side forward
I could smile with the best
And dress like the rest
Of the messed up chruch folk singin a song
Are you sitting down
With all your sin and shame all stored up
Are you ready to live
For what the law could not do
God did
Could it be that morality
Got the best of you and me
Got us thinking
That we're on the brink
Of a drink of the cup that's all filled up
With the cross havin eve a little to do with us
It was His day
It was His way
To the glory of His grace
Took our diease
Enough to please
The Father of lights
To bruise Jesus
Maybe dos and don'ts
Were made to show
How much we do
And ever make it
Romans 8:3
