Emmanuel, God with us  
Come Lord Jesus  
Make believe  
Believe  
With all of Your beauty  
Mountains groan  
And seas roar  
Cause all they know  
Is You for who You are  
Bright Morning Star  
Jesus make believe  
Like they believe  
I sing cause of You  
Maker of faith and love  
Make believe  
Believe  
With all of Your beauty  
Mountains groan  
And seas roar  
Cause all they know  
Is You for who You are  
Bright Morning Star  
Jesus make believe  
Like they believe  
I know You don't need me  
Or anybody else  
You speak for yourself  
Our words they sing your praise  
Still hearts are far away  
Jesus make believe  
Like they believe  
Job 37:12
