Lord, I'm giving all I am with everything I am
Holy and annointed one, to You I lift my hands
I surrender all I have
Take my love away, take my love away, take my love
away
Oh Lord, I've given it my best to take my love away
If I could run around the world to fan the fire in me
If only I could swim the ocean wide to take my lve away
From the world and me
Take my love away, take my love away, take my love
away
Oh Lord, i've given it my best to take my love away
I think I read I cannot love the world and love You
Take my love and plant it deep where life is found in
You
Plant it in the heart of Thee, I'm tired of trying to
believe
I've worn out all my strategy
There's nothing I can do oh Lord to...
Take my love away, take my love away, take my love
away
Oh Lord, i've given it my best to take my love away
Take my love away, take my love away, take my love
away
Oh Lord, i've given it my best to take my love away
