come, let us return  
he has torn us into pieces  
he has entered us  
come, let us return  
to the lord

he will heal us  
he will bandage our wounds  
in just a short time he'll restore us  
in just a short itme he'll restore his church  
so that we we might live  
we might live in his presenece  
in his presence ohhh

o that we might know the Lord  
o that we might know the Lord  
o that we might know the Lord

let us press on to know him  
let us press hard into him  
then as surely as the coming of the Lord  
he will respond  
he will respond
