Your heart was torn, forgiveness was born
Yet through Your pain, You call us by name
So that we would be free, yes free indeed
Free to run with You to be all that You created us to be
In You it is true that we are free (oh Lord we are free)

Oh we've come to declare the beauty of the Lord
Declare the beauty of the Lord
Oh we've come to declare the beauty of the Lord
Declare the beauty of the Lord

Alleluia we sing
Alleluia we sing, yes we praise You O Lord
