She hides her face, it seems too good
For Your embrace to find her
And say, "My dove, your voice is sweet
Show me your form, your form is lovely"

Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun
Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun

It's new every morning
(It's new every morning)
It's new every morning
It's good enough for me

No ear has heard a melody
As sweet as Yours for her
It seems too good, so undeserved
My heart faints now, for we are her

Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun
Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun

I will abide in Your love, Your love

Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun
Your mercy reigns, Your mercy comes
Your mercy falls and rises with the sun

It's new every morning
(It's new every morning)
It's new every morning
Oh yeah

It's new every morning
(It's new every morning)
It's new every morning
It's good enough for me
